

New Learning Options to Enable iWay and Omni Users

Customer Success

Information Builders training classes prepare our customers for opportunities in the new connected world, empowering them to develop the needed skills and competencies for delivering world-class business applications and solutions that support ongoing growth and success.

Throughout all phases of your onboarding journey, no matter which role you play in meeting your organization's business goals, our Customer Education program will fast track your success with Information Builders solutions.

We've enhanced and expanded our learning options to support your success with iWay and Omni-Gen throughout all phases of your onboarding journey—whether you are mastering data, integrating applications, or data warehousing. No matter which role you play in meeting your organization's business goals, these onboarding options are designed to empower you as you build your data management proficiency.

Getting Started Resources (Free)

There are several ways to get started with iWay and Omni-Gen! Choose the options that work best for you. To learn more, visit <https://customerred.informationbuilders.com/iway-omni-learning-path>.

Information Builders helps organizations transform data into business value. Our business intelligence, integration, and data integrity solutions enable smarter decision-making, strengthen customer relationships, improve performance, and drive growth.

- Get started with the iWay and Omni Information Center at <http://iwayinfocenter.informationbuilders.com/>. Review topics such as:

- Technical Content
- How-to's
- Videos
- And more

- Check out the iWay 8 Reference Knowledge Base for searching technical reference topics: <http://iwaykb.informationbuilders.com/>

Learning Data Management

Build or upgrade your iWay and Omni-Gen skills using one of our learning paths.

Note: Instructor-led courses need a minimum of 6 registrants. Visit the Course Catalog at <http://education.informationbuilders.com/courses-and-workshops/> or contact your Education Account Executive to register for an upcoming session.

Omni-Gen

These Omni-Gen courses are designed to build and sharpen the skills you need to expertly manage and deploy your data models and master your data:

- [iWay Data Quality Essentials](#) (980S10x)
- [iWay DQS Golden Record and Advanced Techniques](#) - 2 days (981I10x)
- [Master Data Management With Omni-Gen](#) - 2 days (800I38)
- [Omni-Gen Administration](#) (811S38)

Integration

These iWay courses are designed to build and sharpen the skills you need to expertly manage and deploy integrated applications:

- [iWay 8 Application Essentials \(ISM\) - Part 1](#) (971S803)
- [iWay 8 Application Implementation Techniques](#) - 2 days (972I803)
- [iWay 8 Application Implementation Techniques - Part 2](#) (972S803)

DataMigrator

These iWay courses are designed to build and sharpen the skills you need to expertly manage and develop the ETL processes for your data warehouses or data marts:

- [Metadata Essentials Using AppStudio – Part 1](#) (510S8206)
- [Metadata Essentials Using AppStudio – Part 2](#) (511S8206)
- [iWay DataMigrator Essentials](#) (975S7710)
- [iWay DataMigrator Application Techniques - Part 2](#) (976S7710) *NEW*
- [iWay DataMigrator Essentials Advanced Techniques](#) - 2 days (976I7710)
- [Server Administration](#) - 2 days (961I8206)

Omni-Gen Solutions Basic Training

[Omni-Gen Solutions Basic Training](#) (820I312) is a three-day, hands-on, instructor-led training. It is designed to give students working knowledge of an Omni-Gen implementation from data model to governance. Many prepackaged solutions, such as Health Data, already come with data models, so concepts such as developing the data model will help students understand the inner workings of the architecture.
