---

**Purchase an Education  
Subscription or Bundle for  
up to 25% Savings!**

**Contact your Education  
Account Executive to learn  
more.**

### Hands-on Learning

There's no substitute for hands-on application of the skills that you have learned through self-study. Register for an instructor-led online course to further develop, practice, or apply your WebFOCUS skills:

- [Reporting Essentials Using App Studio – Part 2](#) - 2 days (50218206)
- [Reporting Beyond Essentials](#) - 2 days (50418202)
- [Advanced Reporting Application Techniques Using App Studio](#) - 2 days (52218205)
- [Self-Service Analytics With InfoAssist Basics Techniques](#) - 1 day (39018206)
- [Self-Service Analytics With InfoAssist Advanced Techniques](#) - 2 days (39118206)
- [Building InfoApps Using App Studio's HTML Canvas](#) - 2 days (52118206)

### Note:

- Instructor-led courses need a minimum of 6 registrants. Visit the Course Catalog at <http://education.informationbuilders.com/courses-and-workshops/> or contact your Education Account Executive to register for an upcoming session.
- Each of these hands-on learning courses can also be taught on-site. Additional costs to cover travel and expenses apply. To schedule an on-site session, contact your Education Account Executive.

### Personal Training and Mentoring

Our Education Specialists are available to offer personal training or mentoring as part of your learning plan, to support your unique learning scenario, or to fast track your route to a critical business target. You can purchase Personal Training and Mentoring days individually, or via an annual education subscription (2 days, 5 days, or 10 days). These days must be used within the annual education subscription year.

To learn more about Personal Training and Mentoring, or to purchase and schedule specific PTM days, contact your Education Account Executive.

### Accreditation

When you are ready to demonstrate your WebFOCUS 8206 proficiency, schedule an accreditation exam! The Accreditation Exam is comprised of core skills questions and an applied skills technical challenge.

Learn more about WebFOCUS Accreditation or schedule an Accreditation Exam:

<http://education.informationbuilders.com/webfocus-designer-accreditation-2/>

### Free Learning Assessment

Throughout your learning journey, we are standing by to support your success with WebFOCUS! Use these learning options to chart your own path or contact us at [Customer\\_Success@ibi.com](mailto:Customer_Success@ibi.com) to sign up for a free Learning Assessment.
